August 27, 2020

Dear Discipleship Family,

You have been missed! The end of our Discipleship year due to the COVID pandemic was certainly not what we had planned. Despite this we tried some Facebook Live Discipleship sessions in April and May with some success. Obviously, things are different.

For our 2020 – 2021 Discipleship year we will be embracing an at home program that will be supplemented with a once a month session that will focus on being the disciple at home and in the world in which we live. This once a month session can be in person as a family in our St. Ambrose church or you have the option to join this session on Zoom.

I am asking that you save the date of September 27 for our Discipleship registration and kickoff. We will have a 'drive thru' event in which we ask you to bring us this information sheet back to us. We will take your information, distribute welcome and beginner packets to our program and provide your family with dinner to take home. Our entire goal this year is to make our program easy, and supportive of families and provide you the tools to help be the church at home. (the domestic church)

Our Sunday, September 27 drive thru opening event will begin at 3 pm and conclude at 5. There will be a sign-up genius so we can keep a steady flow and maintain order and separation. I will let everyone know when the sign-up genius is available for reservations.

Let's continue to pray for and support one another.

God Bless and Keep Smiling

Rev. Bryan Zielenieski
Pastor

Registration Information Sheet

Please give us an email address that is used as we will be sending some information home via emails this year.

Family Name: _____

Adult Names: _____

Cell # _____

Cell # _____

Email: _____

Child/ren Names:

Grade:

If this is your first time registering with our Discipleship Program at Our Lady of Charity Parish, please check this box.

Our once a month session will be offered live in person at St. Ambrose Church or via Zoom. Please tell us how your family will attend these sessions by checking the appropriate box.

My family prefers to attend in person at St. Ambrose properly socially distanced.

My family prefers to join these sessions via Zoom.
